**Introducer(s):**

Judiciary Committee

**Title:** AN ACT CONCERNING THE FREEDOM OF INFORMATION ACT.

**Statement of Purpose:** To: (1) Move the existing requirement that public agencies maintain a record of their proceedings to the appropriate section of the Freedom of Information Act, (2) ensure public access to court records, other than those records that directly relate to judicial decision-making in individual court cases, and (3) treat governmental employees equally under the Freedom of Information Act by extending to all governmental employees the limitation on disclosure of their residential addresses under the Freedom of Information Act.
